Putting the heart into photography - Shoot what you love I am finding that the most important and valuable aspects of my photography in the long term, however, have been guided by a love for people and places. I have found that photography matters most when it's driven by the heart and not just the eyes (or, God forbid, the mass appeal on social media!) Photography is about memory. Shoot What You Love to Love What You Shoot â€” Kristian ... Shoot What You Love to Love What You Shoot. ... with excellence and let that energy flow into all areas of your photography and to every subject you shoot.
